Subject: Consider justification & wording of requirement for all development to have a minimum of 3 habitable rooms

Dear Sean

Consider justification & wording of requirement for all development to have a minimum of 3 habitable rooms

Following the hearing session on 31 October 2013 the Council propose to delete the words “, with a minimum of three habitable rooms.” as part of the Schedule of Additional (minor) Modification (A26) M72. Furthermore the Council propose to add a new sentence to paragraph 11.1 to be inserted immediately before the final sentence to read **“The Borough Council is seeking for all new houses to provide a minimum of three habitable rooms, particularly for new affordable housing.”**

Kind regards

Alex
