## **1 Submission Consultation Statement (Reg. 22 (1)(c))**

- 1.1 This Consultation Statement (Reg 22(1)(c)) has been prepared to meet the requirements set out in Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012, which came into force on 6 April 2012, regarding the submission of documents and information to the Secretary of State in order to progress through the Examination process. In particular section c of Regulation 22 defines the following requirement:

Submission of documents and information to the Secretary of State

22. – (1) The documents prescribed for the purposes of section 20(3) of the Act are –

(c) a statement setting out –

- (i) which bodies and persons the local planning authority invited to make representations under regulation 18,
- (ii) how those bodies and persons were invited to make representations under regulation 18,
- (iii) a summary of the main issues raised by the representations made pursuant to regulation 18,
- (iv) how any representations made pursuant to regulation 18 have been taken into account;
- (v) if representations were made pursuant to regulation 20, the number of representations made and a summary of the main issues raised in those representations; and
- (vi) if no representations were made in regulation 20, that no such representations were made.

- 1.2 The Regulation 22 Statement comprises both Regulation 18 Statement (Section 2 ) and the Regulation 20 Statement (Section 3)

Regulation 18 Appendix 2

## 1. Introduction

1.1 This Publication (Proposed Submission) Consultation Statement describes how Stafford Borough Council has undertaken community participation and stakeholder involvement to produce the Plan for Stafford Borough Part 2 - Publication, through the previous stage of consultation and engagement. The Consultation Statement has been produced to fulfil the requirements set out in the Town and Country Planning (Local Planning) (England) Regulations 2012, which came into force on 6 April 2012, specifically the statement defined in Regulation 17 comprising “a statement setting out:

- a. which bodies and persons were invited to make representations under regulation 18;*
- b. how those bodies were invited to make representations;*
- c. a summary of the main issues raised by those representations; and*
- d. how those main issues have been addressed in the Local Plan.”*

1.2 The Town & Country Planning (Local Planning) (England) Regulations 2012 sets out procedures for the production of Local Plans, previously known as Development Plan Documents (DPDs). Regulation 18 (preparation of a local plan) of the 2012 Regulations effectively replaced Regulation 25 of the now superseded Town and Country Planning (Local Development) (England) Regulations 2004, and subsequent amendments. The 2012 Regulations makes it clear that work undertaken by local planning authorities before they came into force is to be treated as having been done under the corresponding provision of Regulations.

1.3 Regulation 18 specifies the consultation a local planning authority must undertake on a local plan before it can proceed to publish a pre-submission version of the plan. It states the following:

*Preparation of a local plan*

*"18.- (1) A local planning authority must-*

- (a) notify each of the bodies or persons specified in paragraph (2) of the subject of a local plan which the local planning authority propose to prepare, and*
- (b) invite each of them to make representations to the local planning authority about what a local plan with that subject ought to contain.*

*(2) The bodies or persons referred to in paragraph (1) are-*

- (a) such of the specific consultation bodies as the local planning authority consider may have an interest in the subject of the proposed local plan;*
- (b) such of the general consultation bodies as the local planning authority consider appropriate; and*
- (c) such residents or other persons carrying on business in the local planning authority's area from which the local planning authority consider it appropriate to invite representations.*

*(3) In preparing the local plan, the local planning authority must take into account any representation made to them in response to invitations under paragraph (1)."*

- 1.4 This Consultation Statement forms one of the "proposed submission documents" referred to in Regulation 19, as set out below. It highlights how the Borough Council has met the requirements of the Statement of Community Involvement (SCI), which was adopted on 26th July 2006 and the emerging Statement of Community Involvement .

*"19.- Before submitting a local plan to the Secretary of State under section 20 of the Act, the local planning authority must-*

- (a) make a copy of each of the proposed submission documents and a statement of the representations procedure available in accordance with regulation 35, and*
- (b) ensure that a statement of the representations procedure and a statement of the fact that the proposed submission documents are available for inspection and of the places and times at which they can be inspected, is sent to each of the general consultation bodies and each of the specific consultation bodies invited to make representations under regulation 18 (1)."*

- 1.5 Prior to seeking representations on soundness and legal compliance on the Plan for Stafford Part 2: Publication, the Plan for Stafford Borough Part 2: Proposals was consulted upon between 1<sup>st</sup> June and 15<sup>th</sup> July 2015. Leading up to this consultation stage discussions were held with those Parish Councils producing Neighbourhood Plans. In terms of who was involved in the consultation, section 3 sets out the organisations, including statutory bodies, who were invited to have their say and get involved in the Plan for Stafford Borough Part 2 (see Appendix 1). The Local Plan consultee database has grown significantly as the Plan for Stafford Borough has developed, to ensure all those who have engaged in previous consultation events are notified of future consultation stages. At present our database extends to in excess of 3,800 consultees.
- 1.6 It is important to emphasise that community engagement and involvement on Part 2 has been continuous throughout the process with individual communities across the Borough, along with other stakeholders including developers, landowners and statutory organisations. In addition, to ensuring information was made available on the Council's website, information has also been placed in the Borough Council's reception area at the Civic Centre, Riverside, Stafford.

## 2. Relationship to the Stafford Borough Statement of Community Involvement (SCI) and the Sustainability Appraisal (SA)

- 2.1 The Statement of Community Involvement (SCI) was adopted on 26th July 2006. It outlines who should be consulted at each stage of the Plan’s production and the types of methods which could be used for effective involvement. Since adoption the Town and Country Planning (Local Development) (England) (amended) Regulations 2008 have altered the stages of production of a Development Plan Document, removing the Preferred Options (regulation 26) stage and therefore reverting to a two, rather than three stage consultation system. Under current legislation, there are two stages where the document should be the subject of consultation, namely the early stage of document formation (Regulation 18 stage) when issues and policy options are being explored and developed, and then formal consultation on the Publication / proposed Submission version when the Plan has been agreed by the Council for seeking representations on soundness and legal compliance (the current stage - Regulation 19).
- 2.2 The emerging Statement of Community Involvement reflects recent changes in the Regulations. In preparing the Plan for Stafford Part 2, the Council has adhered to the procedures set out in the Regulations, and both the adopted and emerging SCI.
- 2.3 Table 1 below is an extract from the emerging SCI, showing what methods are to be used for consulting on each of the various Planning Policy Documents at different stages.

Methods	Development Plan Documents						Supplementary Planning Documents		Neighbourhood Plans			Community Infrastructure Levy

Table 1

- 2.4 Stafford Borough Council has previously carried out several iterations of the Sustainability Appraisal (SA) process in relation to the adopted Plan for Stafford Borough (19<sup>th</sup> June 2014) throughout its development.
- 2.5 Table 2 below lists the iterations of the adopted Plan for Stafford Borough that have been produced and consulted on by Stafford Borough Council, as well as the accompanying SA work that was undertaken at each stage (which are all available on the Council’s website<sup>1</sup>).

Date	Plan iteration	Accompanying SA work
October 2007	N/A	SA Scoping Report
January 2008	The Plan for Stafford Borough - Borough Wide Development Strategy	SA Commentary Volume 1
June 2008	Principles for Settlement Development	N/A
February 2009	Delivering the Plan for Stafford Borough - Issues and Options	SA Commentary Volume 2
September 2011	Draft Publication	SA Report
May 2012	Strategic Policy Choices	SA Report
January 2013	Publication (Pre-Submission)	Revised SA Report
April 2013	Planning Strategy Statement	Addendum SA Report
January 2014	Modifications Consultation	Modifications Addendum SA Report
June 2014	The adopted Plan for Stafford Borough	Sustainability Appraisal Adoption Statement
June 2015	The Plan for Stafford Borough: Part 2 Proposals document (Options Stage)	SA Report
December 2015	The Plan for Stafford Borough: Part 2 Publication document	Updated SA Report

- 2.6 The Plan for Stafford Borough Part 2: Proposals was accompanied by a SA report as identified in the table below. Whilst the consultation has been targeted via specific e-mail invitation to the statutory Government agencies: The Environment Agency, Natural England and English Heritage, anyone is able to make comments on the documents during the consultation. The consultation on this document took place between 1<sup>st</sup> June 2015 and 15<sup>th</sup> July 2015. No comments were received.

<sup>1</sup> <http://www.staffordbc.gov.uk/sustainability-appraisal>

### 3. Compliance with Duty to Co-operate

3.1 Section 110 of the Localism Act 2011 introduces a new Section 33A to the Planning and Compulsory Purchase Act 2004, namely a “Duty to Co-operate” (DtC). This duty requires planning authorities to work with neighbouring authorities and other ‘prescribed bodies’ on preparing development plan documents or activities which facilitate the preparation of development plans. However, the duty only applies where such activities are of a ‘strategic matter’.

3.2 The full list of ‘prescribed bodies’ are set out in the Act itself, as well as subsequent Town and Country Planning (Local Planning) (England) Regulations 2012. For Stafford Borough Council, they are as follows:

- Other local authorities, which Stafford Borough Council has taken to mean as all neighbouring authorities, namely:

-Staffordshire County Council;

-Cannock Chase District Council;

-East Staffordshire Borough Council;

-Staffordshire Moorlands District Council;

-Newcastle Under Lyme Borough Council;

-South Staffordshire District Council;

-Staffordshire Moorlands District Council;

-Stoke on Trent City Council;

- Shropshire Unitary Council;

- Lichfield District Council; and

- Telford & Wrekin Council.

- Environment Agency
- Historic England
- Natural England
- Network Rail
- Civil Aviation Authority
- Homes & Communities Agency
- Office of the Rail Regulator
- Highways Agency (West Midlands)
- Greater Birmingham & Solihull Local Enterprise Partnership (LEP)

- Stoke-on-Trent and Staffordshire LEP
- Centro
- Black Country LEP
- Defence Infrastructure Organisation
- NHS Property Services
- GP Commissioning Group
- Transport for London Customer Services
- West Midlands Passenger Transport Authority
- Greater London Authority
- Marine Management Organisation
- Staffordshire Police HQ
- Staffordshire and Stoke-on-Trent Partnership NHS Trust
- South Staffordshire and Shropshire NHS Foundation Trust
- Staffordshire County Council & Staffordshire NHS
- Mid Staffordshire Foundation Trust
- Staffordshire Wildlife Trust

3.3 The Borough Council worked closely with key stakeholders, service providers and statutory agencies on the adopted Plan for Stafford Borough, which identified the development strategy, sustainable settlement hierarchy and allocated significant development for Stafford and Stone through the Strategic Development Locations. As Part 2 establishes the settlement boundaries for Stafford, Stone and the Key Service Villages, it is considered that there are no 'strategic matters' included in this element of the Plan. Nonetheless, letters were sent out to all Duty to Co-operate organisations on 22 September 2015. Seven responses were received, all of whom have confirmed that, at this stage, there are no Duty to Co-operate matters of importance to raise (see Appendix 2). Furthermore Natural England have confirmed that the Plan for Stafford Borough Part 2 is not required to meet the Habitat Regulations Assessment (see Appendix 2).

3.4 In addition the Borough Council has worked jointly with the City of Stoke-on-Trent Council, Newcastle-under-Lyme Borough Council, Staffordshire Moorlands District Council and East Staffordshire Borough Council, in respect of the Gypsy and Traveller Accommodation Needs Assessment 2015. Furthermore the Strategic Housing Land Availability Assessment has been updated during 2015 through the Partnership.

## **4 Community Involvement and Engagement on the Plan for Stafford Borough Part 2**

- 4.1 In accordance with the SCI, Stafford Borough Council has undertaken consultations to involve and engage the community in order to prepare the Plan for Stafford Borough Part 2. This chapter sets out the main consultation / community engagement events that have taken place prior to the Publication version of the Proposed Submission.

### **The Plan for Stafford Borough Part 2: Proposals and Sustainability Appraisal Report**

- 4.2 In June and July 2015 consultation took place on the above documents, with the deadline for responses being 12 noon on 15<sup>th</sup> July 2015. Notification of the consultation process and information on how to respond was sent out to all consultees on the Council's Local Plans database.
- 4.3 To raise awareness of the Proposals document the Borough Council published information on the Borough Council website and provided press releases to a wide range of media organisations, including the local newspapers listed below:
- Staffordshire Newsletter (Stafford and Stone editions)
  - Express and Star (Stafford and Stone Edition)
  - The Sentinel
- 4.4 Copies of the documents could also be inspected at the Council Offices and Public Libraries within the Borough listed below:
- Rising Brook Library
  - Holmcroft Library
  - Baswich Library
  - Stone Library
  - Blythe Bridge Library
  - Eccleshall Library
  - Market Square Stafford Library
  - 4 Mobile Libraries
- 4.5 Stafford Borough Council considers that the consultation process used through the preparation of the Plan for Stafford Borough Part 2 has fully met the requirements within the Stafford Borough adopted Statement of Community Involvement, and is in accordance with relevant Town and Country Planning Regulations.

## 5. Summary of Main Issues and how they were Addressed

- 5.1 418 responses were received on the Plan for Stafford Borough: Part 2 Proposals Consultation Stage (refer to Appendix 1). The following key issues were raised through the responses received, shown in italics below, together with the Council's response:

### *Part 2 General Issues*

- 5.2 *The figure of 10,000 houses over the Plan period is target; it is not a ceiling or a maximum. The Plan is too reliant upon the Strategic Development Locations delivering the houses. There is limited opportunity for other sites to be allocated for housing.*

Borough Council response: The target figure of 10,000 new homes is not a maximum, but new development must be delivered proportionally in accordance with the sustainable settlement hierarchy. Furthermore, the proper planning of the Borough (and practical delivery of major change) requires also that growth be balanced by the timely and resourced provision of necessary infrastructure, and accommodated sustainably – which means that growth cannot be unfettered, but needs to be controlled and planned. Since a substantial proportion of the housing requirement is already determined by the provision made by the Strategic Development Locations (SDLs), and elsewhere in the Borough by subsequent development and by extant permissions, it is not necessary for the Part 2 document to make specific allocations for additional housing sites, other than those being promoted in the Neighbourhood Plans.

- 5.3 *Failing to identify community facilities in the Stafford, Stone and the Key Service Villages.*

Borough Council response: The Part 2 Proposals document identified community facilities in Stafford, Stone and the Key Service Villages. However following receipt of the representations, it is apparent that it is not practically possible to identify an exhaustive agreed list of all the relevant community and social facilities within those settlements and those in the rest of the Borough. It is proposed to omit the tables and Inset Plans identifying the community facilities for Stafford, Stone and the Key Service Villages and to amend the wording to policy SB2 to protect social and community facilities across the Borough.

### *Stafford*

- 5.4 *Land adjacent to Falmouth Avenue, Stafford, should be designated as a Local Green Space (66 representations submitted in total as well as the local MP Jeremy Lefroy).*

Borough Council response: The land at Falmouth Avenue was allocated in the previous Stafford Borough Local Plan 2001 as suitable for housing, but was never developed. The new Stafford Settlement Boundary excludes this area of land, as it is not considered suitable for development within the context of Spatial Principle 7 of the Plan for Stafford Borough. As a general principle, the consultation process has demonstrated that insufficient suitable evidence has been gathered to support Local Green Space designations throughout the

Borough in accordance with the requirements of the NPPF. Even where comments have been received, as in the case of Falmouth Avenue; evidence is not conclusive in terms of the NPPF criteria, and cannot easily distinguish local views about the relative importance of protecting land as greenspace from general expressions of opposition to further local development.

- 5.5 *The University of Staffordshire campus in Stafford should not be designated as employment land. The sports centre is not a community facility as it is not a facility that the public authority has a controlling interest in.*

Borough Council response: It is proposed to remove the employment site designation and amend Policy SB2 to protect social and community facilities, including sports facilities. As the facilities are available to, and used by, the general public, it is considered that the facilities will be protected under the policy. This policy states that alternative uses are only acceptable when it can be demonstrated that the site has been actively marketed for more than twelve months for alternative social and community use, it can be established that the facility is no longer required, or can be served in an alternative location within the same settlement or in a manner that is equally accessible to the community.

### *Stone*

- 5.6 *The tennis courts and playground Westbridge Park, Stone should be designated a local community facility. It should not be redeveloped to accommodate a supermarket.*

Borough Council response: The settlement boundary for Stone reflects the Green Infrastructure boundary that was identified in the adopted Plan for Stafford Borough. Change of use will be considered in the context of amended Policy SB2.

- 5.7 *Land at Westbridge Park should be designated as Local Green Space.*

Borough Council response: Local Green Space was not identified as a strategic issue within the adopted Plan for Stafford Borough and no detailed assessment has been prepared to demonstrate how the land meets the criteria of the NPPF. As a general principle, the consultation process has demonstrated that insufficient suitable evidence has been gathered to support Local Green Space designations throughout the Borough in accordance with the requirements of the NPPF. Even where comments have been received, as in the case of Westbridge Park; evidence is not conclusive in terms of the NPPF criteria, and cannot easily distinguish local views about the relative importance of protecting land as greenspace from general expressions of opposition to further local development. Westbridge Park is afforded protection through Policies C7 and N4 of the adopted Plan. Local communities have the opportunity to designate Local Green Space through Neighbourhood Plans.

5.8 *Additional secondary frontages should be identified in Stone.*

Borough Council response: Following the consultation, it is not proposed to have a policy on protecting retail frontages, as this does not reflect the changing nature of centres and the changes in retailing generally, caused by on-line shopping. The town centre policies need to allow flexibility to support their viability and vitality. Therefore the Publication document proposes to omit the inset plans showing the Primary and Secondary frontages for Stafford and Stone town centres, relying on Policy E8 of the adopted Plan for Stafford Borough and the approach in the NPPF.

5.9 *As shown on the Settlement Boundary for Stone, land adjacent to Nicholls Lane should not be included in the Settlement Boundary.*

Borough Council response: Agreed to exclude this land from the Stone Settlement Boundary. Local communities have the opportunity to designate Local Green Space through Neighbourhood Plans.

5.10 *Land adjacent to Tilling Drive, Walton, Stone, should be designated as Local Green Space (10 representations submitted).*

Borough Council response: Local Green Space was not identified as a strategic issue within the adopted Plan for Stafford Borough and no detailed assessment has been prepared to demonstrate how the site meets the criteria of the NPPF. As a general principle, the consultation process has demonstrated that insufficient suitable evidence has been gathered to support Local Green Space designations throughout the Borough in accordance with the requirements of the NPPF. Even where comments have been received, as in the case of Tilling Drive; evidence is not conclusive in terms of the NPPF criteria, and cannot easily distinguish local views about the relative importance of protecting land as greenspace from general expressions of opposition to further local development.

Tilling Drive is afforded protection through Policies C7 and N4 of the adopted Plan. Local communities have the opportunity to designate Local Green Space through Neighbourhood Plans.

5.11 *Stone Town Council and Stone Independent Group submitted representations to include land as Local Green Space.*

Borough Council response: Local Green Space was not identified as a strategic issue within the adopted Plan for Stafford Borough and no detailed assessment has been prepared to demonstrate how the areas meet the criteria of the NPPF.

The land identified by the respective groups will be afforded protection through Policies C7 and N4 of the adopted Plan. Local communities have the opportunity to designate Local

Green Space through Neighbourhood Plans.

### *Great Haywood*

- 5.12 *Land adjacent to Marlborough Close, Great Haywood, should be designated as Local Green Space (16 representations have been submitted).*

Borough Council response: Subject to designation within the emerging Neighbourhood Plan this land will be identified as Local Green Space on the Great Haywood Policies Map inset.

### *Woodseaves*

- 5.13 *The Settlement Boundary in Woodseaves should be amended to accommodate additional housing and a play area/car park to serve the school.*

Borough Council response: No changes are proposed to the Settlement Boundary as releasing this land would undermine the balance of the Sustainable Settlement Hierarchy in the context of completions and existing commitments already exceeded in Stafford, Stone and the Key Service Villages.

### *Inset Plans*

- 5.14 In addition following comments received the following changes have also been made to the Inset maps for Stafford, Stone and the Key Service Villages:
- 1 Stafford Settlement Boundary: Amend Stafford eastern settlement boundary so that it runs along Blackheath Lane.
  - 2 Stafford Settlement Boundary: amend settlement boundary to include land with outline planning permission at Leonards Avenue adjacent to the Alston Grid site (09/12207/OUT).
  - 3 Stafford Settlement Boundary: Omit Staffordshire University, the police headquarters from the employment zone.
  - 4 Stafford Settlement Boundary: amend MOD zone to reflect land ownership discrepancy south of Hopton Lane and amend settlement boundary.
  - 5 Ladfordfield Industrial Estate RIE – inclusion of land within the RIE boundary to take into account planning permission (12/16590/COU) to use the land for storage/parking.
  - 6 Colwich Settlement Boundary: Amend the boundary to omit Church Farm so that it is aligned with the Neighbourhood Plan.
  - 7 Great Haywood Settlement Boundary: Amend boundary to align with the Neighbourhood Plan.
  - 8 Hixon Settlement Boundary: Amend boundary at to include land that was granted planning permission for an additional; dwelling at Chase Farm View, Puddle Hill.
  - 9 Tittensor Settlement Boundary: amend the boundary to include the primary school.
  - 10 Remove primary and secondary retail frontages plans for Stafford and Stone.

- 11 Omit all Local Green Space from Inset plans.
- 12 Omit all community facilities from inset plans.

## **6. Conclusion**

- 6.1 Stafford Borough Council considers that the consultation process used throughout the preparation of the Plan for Stafford Borough Part 2 has fully met the requirements within the Stafford Borough adopted Statement of Community Involvement, and is in accordance with relevant Regulations.

Dear Mr Yendole

**RE: Part 2 of the Plan for Stafford Borough – Duty to Co-operate**

Thank you for your letter of 22nd September concerning Part 2 of the Local Plan for Stafford Borough. In terms of the Duty to Co-operate and issues which apply between our two Authorities, the main issues relate to the partnership working arrangements relating to the Cannock Chase AONB and to the Cannock Chase SAC and of course both Authorities are already involved in these processes.

The other matter relates to ongoing dialogue between the two Local Authorities in terms of the broader evidence base and the fact that Cannock Chase District sits within the Greater Birmingham Housing Market Area, the relevant Authorities for which are currently working together to address a cumulative shortfall of around 39,900 dwellings to 2031 (mainly arising from Birmingham). Whilst Stafford sits beyond the HMA and thus is not engaged in this process, Cannock Chase District will need to ensure that there is continuing dialogue between the Authorities so that Stafford Borough Council is kept informed of progress. In particular this relates to the Green Belt Review work which CCDC has commissioned and of which Stafford BC is already aware.

We would, of course, be happy to attend a meeting to discuss these issues further and indeed continued regular dialogue would be beneficial to all concerned.

Hi Clare

Thank you for the message and attached letter.

Please could you confirm that there are no matters of importance in respect of the Duty to Co-operate regarding the Plan for Stafford Borough – Part 2.

The issues listed in your letter are of a strategic nature associated with the adopted Plan for Stafford Borough.

Our Council will continue to work pro-actively with Cannock Chase Council on these matters.

Looking forward to hearing from you

Thanks

Alex

**Subject:** RE: Duty-to-Cooperate the Plan for Stafford Borough

Hi Kelly

Thank you for the message and attached letter.

Please could you confirm that there are no matters of importance in respect of the Duty to Co-operate regarding the Plan for Stafford Borough – Part 2.

The issues listed in your letter are of a strategic nature associated with the adopted Plan for Stafford Borough.

Our Council will continue to work pro-actively with South Staffordshire District Council on these matters.

Looking forward to hearing from you

Thanks

Alex

28th September 2015

Dear Alex,

**RE: Part 2 of the Plan for Stafford Borough – Duty to Cooperate Town and Country Planning (Local Planning) (England) Regulations 2012**

Thank you for your letter dated 22<sup>nd</sup> September 2015 inviting South Staffordshire Council to set out the cross boundary strategic issues between our two authorities that will need to be addressed under the Duty to Cooperate. The key Duty to Cooperate issues that we consider exist between the two authorities are set out below:

1) Housing

A housing shortfall within the Greater Birmingham Housing Market Area (HMA) of 37,900 dwellings up to 2031 has been evidenced through the Public Examination of the Birmingham Development Plan 2031. Stafford is a neighbouring HMA to the Greater Birmingham HMA. In the light of this cross boundary strategic issue, land South of Stafford could be looked at as making a contribution to the identified shortfall. The highway infrastructure to help facilitate such a development is likely to be located within the boundaries of Stafford Borough.

2) Employment

Whilst we do not consider there to be any immediate cross boundary employment issues that need addressing, this should be kept under review. In particular, if robust evidence for a Strategic Rail Freight Interchange (SFRI) within the West Midlands emerges then the cross boundary implications of this will need to be considered.

3) Cannock Chase SAC

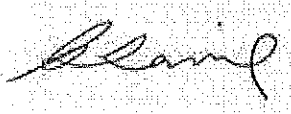

Both authorities are in the Cannock Chase SAC Partnership and are continuing to work on an ongoing basis to implement the Cannock Chase Visitor Impact Mitigation Strategy.

4) Retail

Our Core Strategy confirms that retail provision within the district be restricted to meeting the needs of local communities, and that our residents higher order shopping needs be catered for in towns and cities that adjoin the district, such as Stafford town. Therefore, the Council will support proposals coming through the Part 2 Plan that would see improvements to the retail offer in Stafford.

South Staffordshire Council fully recognises the value of working closely with Stafford Borough Council on an ongoing basis in addressing cross boundary strategic issues. As you will be aware, the Council is currently progressing our Site Allocations Document and hope to go out to consultation on our Preferred Options document by the end of the year. We welcome further discussion on the above issues raised and will look forward to maintaining constructive dialogue through the preparation of our respective plans.

Yours sincerely,

**Kelly Harris**  
**Team Leader (Local Plans)**

**Importance:** High

Dear Alex,

Many thanks for consulting Historic England with regard to the ongoing Duty to Cooperate between our two organisations.

We met recently to discuss Historic England's representation to the Part 2 Local Plan and Stafford Council confirmed that the Plan related to amending settlement boundaries only.

At this time, Historic England can confirm that we are not aware of any strategic cross boundary issues and as such have no comments to make.

We would like to continue to be involved with the preparation of the Part 2 Local Plan and reserve the right to discuss future strategic cross boundary issues, if any arise.

I hope this is helpful.

Many thanks

Kezia

20<sup>th</sup> October, 2015

Dear Sir,

**Part 2 of the Plan for Stafford Borough – Duty to Co operate  
Town and Country Planning (Local Planning) (England) Regulations 2012**

Further to your letter dated 22<sup>nd</sup> September, 2015 I can advise that I consider the following are Duty to Co-operate matters of importance:

- Cannock Chase Area of Outstanding Natural Beauty
- Cannock Chase Special Area of Conservation
- Trent and Mersey Canal Conservation Area
- Cross boundary matters relating to the future development of Rugeley which could potentially impact on both our areas.

None of the above matters are currently incorporated in the Plan for Stafford Borough: Part 2 Proposals Consultation Stage and I can therefore advise that there are currently no matters of importance in respect of the Duty to Co-operate regarding this plan.

I look forward to continuing to proactively work with you on the strategic matters listed above.

Yours faithfully,

C Jordan  
Development Executive (Spatial Policy and Delivery)

## **Section 3    Regulation 20 Statement**

## Section 3 Regulation 20 Statement

3.1 The purpose of this Regulation 20 Statement is to sets out details relating to the Plan for Stafford Borough Part 2 – Publication including how the process of seeking representations on soundness and legal compliance was undertaken, who was engaged in the process, how many representations were received and the main issues that were raised by the representations submitted.

3.2 It has been prepared to meet the requirements set out in Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012, which came into force on 6 April 2012, regarding the submission of documents and information to the Secretary of State in order to progress through the Examination process. In particular section c of Regulation 22 defines the following requirement:

*Submission of documents and information to the Secretary of State*

*22. – (1) The documents prescribed for the purposes of section 20(3) of the Act are –*

*(c) a statement setting out –*

*(i) which bodies and persons the local planning authority invited to make representations under regulation 18,*

*(ii) how those bodies and persons were invited to make representations under regulation 18,*

*(iii) a summary of the main issues raised by the representations made pursuant to regulation 18,*

*(iv) how any representations made pursuant to regulation 18 have been taken into account;*

*(v) if representations were made pursuant to regulation 20, the number of representations made and a summary of the main issues raised in those representations; and*

*(vi) if no representations were made in regulation 20, that no such representations were made.*

3.3 During November 2015 to January 2016 the Plan for Stafford Borough Part 2 – Publication sought representations on soundness and legal compliance in order to meet Regulation 20 of the Town and Country Planning (Local Planning) (England) Regulations 2012, which sets out the following requirement:

Representations relating to a local plan

*“20 – (1) Any person may make representations to a local planning authority about a local plan which the local planning authority propose to submit to the Secretary of State.*

*(2) Any such representations must be received by the local planning authority by the date specified in the statement of the representations procedure.*

*(3) Nothing in this regulation applies to representations taken to have been made as mentioned in section 24 (7) of the Act.”*

- 3.4 It should be noted that Stafford Borough Council published the Publication Consultation Statement in November 2015, which describes how previous stages of consultation and engagement have shaped the Plan for Stafford Borough through community participation and stakeholder involvement , and forms part of section 2 of this document.
- 3.5 In terms of who was invited to make representations to the Plan for Stafford Borough Part 2: Publication under Regulation 20 of the Town & Country Planning (Local Planning) (England) Regulations 2012, Appendix 4 sets out the organisations, including statutory bodies, engaged in the process. Furthermore the Local Plan consultee database has been developed to ensure that all those who have commented or shown an interest in the Plan for Stafford Borough were included in the process of seeking representations.

**Seeking Representations on the Plan for Stafford Borough Part 2 Publication**

- 3.6 The Plan for Stafford Borough Part 2- Publication was approved by Council for Publication and Submission on 24 November 2015. The document represents the final draft version of the new Plan for Stafford Borough Part 2, and is considered to be both sound and legally compliant.
- 3.7 From Monday 30th November 2015 until 12 noon on Monday 25th January 2016, the Plan for Stafford Borough Part 2- Publication was published seeking representations on soundness and legal compliance. Notification of this process and information on how to respond was sent out to all consultees on the database via e-mail using the Objective consultation system <http://staffordbc-consult.objective.co.uk/portal/> and the post.
- 3.8 To raise awareness of the Publication document together with a link to the online consultation portal, a Representations Form; a Statement of Representation Procedure; Guidance Notes for Part 2: Publication Consultation; and a Notice of Pre-submission Consultation were published on the Borough Council website. In addition there was a press release to the local newspapers listed below (see example at Appendix 3):
- Staffordshire Newsletter (Stafford and Stone editions)
  - Express and Star (Stafford and Stone Edition)
  - The Sentinel
- 3.9 Copies of the documents could also be inspected at the Council Offices and Public Libraries within the Borough listed below:

- Rising Brook Library
- Holmcroft Library
- Baswich Library
- Stone Library
- Blythe Bridge Library
- Eccleshall Library
- Market Square Stafford Library
- 4 Mobile Libraries

3.10 The process of seeking representations on soundness and legal compliance met the requirements within the Stafford Borough adopted Statement of Community Involvement and was undertaken in accordance with Regulation 18 & 20 of the Town and Country Planning (Local Planning) (England) Regulations 2012. This document was accompanied by a Revised Sustainability Appraisal Report which assessed all aspects of the Plan for Stafford Borough Part 2.

### Summary of Main issues Raised by the Representations

3.11 A total of 110 representations were received from 65 respondents. A further late representation was received. The number of representations made in relation to each chapter of the Plan for Stafford Borough Part 2 is as follows:

Chapter	Count
1. Introduction	21
2. Settlement proposals	78
3. Retail Boundaries	1
4. Recognised Industrial Estates	7
5. Gypsies, Travellers and Travelling Show People	1
6. Monitoring and Review	2

3.13 The following section of the Submission Consultation Statement sets out a summary of the main issues raised by those representations which were duly made. The summary is set out under the headings used within the Plan for Stafford Borough Part 2 – Publication and covers the themes which have been identified from the representations received rather than setting out a summary of each individual comment. Therefore, where an issue has been made by a number of respondents, it is only covered once in the summary.

3.14 A number of factual inaccuracies and typographical errors have been identified in the Plan for Stafford Borough Part 2, and these will be addressed through the schedule of minor modification document. Therefore these have been excluded from this summary.

### Section 1: Introduction

3.15 Eleven general comments were received on the Plan from Statutory Consultees such as the Coal Authority, Historic England and local planning authorities, saying that they had no comments per-se specifically about the Plan for Stafford Borough Part 2.

- 3.16 One representation was made in respect of including additional land within the settlement boundary at Stone; a representation has been made which supports the boundary at Ladfordfields Recognised Industrial Estates (RIEs); and a representation has been received about including land at Stowe-by-Chartley.
- 3.17 Specifically in relation to Section 1 a representation has been received expressing concern that the proposed approach to establishing settlement boundaries as opposed to the production of a Site Allocation Document is contrary to the adopted Plan for Stafford Borough; the Annual Monitoring Report for 2015 remains unpublished and the 31st March 2015 Year Statement published in June/July 2015 is not accurately informed. In addition the Sustainability Appraisal is flawed, by assuming that the housing has and will continue to be delivered over the Plan period and fails to consider all of the material evidence, reasonable alternatives, possibilities and outcomes.

## **Section 2: Settlement Proposals**

- 3.18 This section has generated the most representations as it establishes the methodology for the settlement boundaries; the policy for the protection of social and community facilities; it discusses the protection of Local Green Space; the Ministry of Defence protected Area; and the Stafford and Stone protected Employment Areas. This section also defines the settlement boundaries for Stafford, Stone and the Key Service Villages.
- 3.19 Representations have been received asserting that the figure of 10,000 houses over the Plan period is a target; it is not a ceiling or a maximum. There is criticism that the Part 2 is too reliant upon the Strategic Development Locations (SDLs) to deliver the housing and that there is limited opportunity for other sites to be allocated for housing. There are objections that the boundaries are drawn too tightly and the application of the settlement boundary methodology is also criticised where a decision has been made not to include a site.
- 3.20 Representations have also been received to designate new settlement boundaries/ put forward new land for development namely at Bower Lane, Rugeley; Stowe by Chartley; the former Ministry of Defence land at Coldmece; and at Hopton. A representation has also been made for a site specific policy at Trentham Gardens.

### ***Protection of Social and Community Facilities***

- 3.21 Three representations have been received on the proposed policy relating to the protection of social and community facilities. The Ministry of Defence is concerned that facilities deemed ancillary to the primary defence use could be protected by the policy; Stoke-on-Trent City Council seek the omission of the 12 month marketing exercise to demonstrate that a site is unsuitable/unviable; and a further representation seeks the deletion of the protection of community facilities altogether.

### ***Protected Local Green Space***

- 3.22 A significant number of representations set out that land adjacent to Falmouth Avenue, Stafford, should be designated as a Local Green Space (a survey has been submitted with

over 340 signatures that was undertaken in 2012 reference is made to the survey in 2014 with over 300 signatures) as well as a letter from a Borough Councillor.

***Stafford and Stone Protected Employment Areas***

- 3.23 A representation has been made which supports the amended wording to policy SB3 which makes reference to existing agricultural uses, prior to the development of strategic allocations for employment.

***Ministry of Defence Protected Area***

- 3.24 The Ministry of Defence representation seeks the inclusion of additional land known as 'Site 4' is included within the MOD Protected Land Area.

***Stafford Proposals***

- 3.25 Two representations have been received in support of the proposed settlement boundary at Stafford although the landowner in respect of land at St Leonards seeks the inclusion of the open space area within the settlement boundary; and land to the north of Stafford North SDL is also being offered for inclusion within the settlement boundary.

- 3.26 Three representations have been received requesting the inclusion of land and the group of houses at the Tixall Road, Blackheath Lane and Baswich Lane crossroads. Further representations have been made seeking the inclusion of land to the east of Stafford within the settlement boundary for housing; a representation has also been received in respect of including land within the settlement boundary to the north of Truro Way, and Baswich Lane. A representation has been received to include land south east of Stafford at Walton-on-the-Hill for development, as well as a representation on land at Ashflats to the south of the town.

***Stone Proposals***

- 3.27 Four representations, including one from Stone Town Council and one from the Stone Independents Group, have been received seeking to amend the settlement boundary at Westbridge Park to follow the canal. The main concern is that the land here needs to be protected against development other than sports, recreation and leisure uses.

- 3.28 Representations have also been received in order to amend the settlement boundary to include land to the east of Stone at Aston Lodge; at Trent Road; and at Walton. A representation has been received to extend the Stone Business Park by the landowner.

***Barlaston Proposals***

- 3.29 Four representations have been received in respect of amending the settlement boundary at Barlaston, which is surrounded by Green Belt.

***Hixon Proposals***

- 3.30 Four representations have been received to amend the settlement boundary at Hixon. This includes two representations to include land to the north of the Green Man Public House and at Stowe Lane; a further representation has been made to include land to east of Church Lane and also land to the north of St Peter's Primary School, west of Sycamore Drive.

***Great Haywood***

- 3.31 Cannock Chase Area of Outstanding Natural Beauty (AONB) Partnership commented that the setting of the AONB is an important consideration at Great Haywood.

***Little Haywood/Colwich Proposals***

- 3.32 Three representations have been made to amend the settlement boundary at Little Haywood to include land adjacent to Anson Row. The Cannock Chase AONB Partnership commented that the setting of the AONB is an important consideration. A representation has received in support of including land at Coley Lane as this is consistent with the planning permission for 20 houses at this location.

***Tittensor Proposals***

- 3.33 A representation has been received to amend the settlement boundary to include land to the north of The Farm, Stone Road. This land is within the Green Belt.

***Weston Proposals***

- 3.34 A representation has been received to amend the settlement boundary at Weston to include land to the south of The Green fronting Green Road.

**Section 3: Retail Boundaries**

- 3.35 Only one representation was received in respect of this section, this sought the inclusion of a new retail policy for the local centres that will serve the SDLs. A policy is sought that states that they will not be subject to an Impact and Sequential Assessment.

**Section 4: Recognised Industrial Estate Boundaries (RIE)**

- 3.36 An amendment is sought to the proposed text at paragraph 4.2 in respect of the Meaford Power Station Site as the reserved matters application has since been approved.

***Hixon Airfield RIE***

- 3.37 A planning application has been made on land adjacent to Hixon Airfield RIE to the east of the West Coast Main Line, and the application's supporting statements have been submitted as a representation.

***Ladfordfields RIE***

- 3.38 A representation has been received in support of the boundary, and the Environment Agency has commented that the site includes land used historically for landfill.

***Pasturefields RIE***

- 3.39 A representation has been received to include additional land, north of Pasturefields Lane which is bounded to west by the railway land. The site is approximately 6.1 hectares.

***Raleigh Hall RIE***

- 3.40 A representation has been made in support of the boundary.

**Section 5: Gypsies, Travellers and Travelling Show People**

- 3.41 A representation has been received stating that adopted Policy C6 within the Plan for Stafford Borough is contrary to the national policy as set out in Planning Policy for Traveller Sites, and that this should be rectified in Part 2.

**Section 6: Monitoring and Review**

- 3.42 Two representations have been received on this section, criticising the form and lack of commitment to timescales. There is a criticism of the monitoring of the adopted Plan for Stafford Borough.

**Section 7: Appendix**

- 3.43 No representations were received to this section of the Publication document.

The following documents are attached to this statement:

Appendix 1. A copy of the Plan for Stafford Borough Part 2– Publication representation form

Appendix 2. Statement of representation procedure

Appendix 3. Regulation 19 Statement of Fact

Appendix 3. Example of formal press notice contained within the Staffordshire Newsletter.

Appendix 4. List of specific consultation bodies & general consultation bodies.

**The Plan for Stafford Borough Sustainability Appraisal: Publication**

- 3.44 Two responses were received with regard to the Sustainability Appraisal (SA). There is criticism that the SA relies too heavily on the SDLs delivering housing, and therefore fails to consider alternative sites. The SA is also criticised for failing to consider or identify evidence of the significant deficit in infrastructure funding. The SA has been amended and updated to reflect the comments made and forms part of the submission.

## **Section 4 Next Steps**

## 4. Next Steps

- 4.1 Stafford Borough Council has identified a number of minor amendments within a Schedule of Minor Modifications (not materially affecting the policies of the Plan) that could be made to the Plan for Stafford Borough Part 2. This has been included as part of the Borough Council's submission material to be considered through the Examination process.

**Part B – Please use a separate sheet for each representation**

Name or Organisation	
<b>3. What part of The Plan for Stafford Borough Part 2 (including the Inset Plans) does your comment relate to?</b>	
e.g. Policy Reference, Paragraph, Map title	

*If your comment does not relate to a specific part of the document, or it relates to a different document, for example the Sustainability Appraisal, please make this clear in your response.*

**4. Do you consider that the Plan for Stafford Borough Part 2 is:**

- a. **Legally compliant\*?**  
Yes  No
- b. **Sound\*?**  
Yes  No

*To check a box when completing this form electronically, double click on it and select 'checked' under default value. \*Please refer to the attached note for guidance on legal requirements and soundness.*

*If you have entered **No** to Q4.b. please continue to Q5. In all other circumstances please go to Q6.*

**5. Do you consider The Plan for Stafford Borough Part 2 is unsound because it is not:**

- a. **Positively Prepared**
- b. **Justified**
- c. **Effective**
- d. **Consistent with national policy**

**6. Please give details of why you consider The Plan for Stafford Borough Part 2 is not legally compliant, or is unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of The Plan for Stafford Borough Part 2, please also use this box to set out your comments.**

(attach separate sheets as necessary)

7. Please set out what change(s) you consider necessary to make The Plan for Stafford Borough Part 2 legally compliant or sound, having regard to the test you have identified at question 5. You will need to say why this change will make the document legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(attach separate sheets as necessary)

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support / justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation.*

*After this stage, further submissions will only be at the request of the Planning Inspector, based on the matter and issues he / she identifies for examination*

8. If your representation is seeking a change, do you consider it necessary to participate at the Examination in Public?

- a. Yes I wish to participate at the Examination in Public
- b. No I do not wish to participate at the Examination in Public

9. If you wish to participate at the Examination in Public, please outline why you consider this to be necessary

(attach separate sheets as necessary)

*Please note the Planning Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the Examination in Public*

**Please ensure you have printed your name or organisation at the top of this form**

<p><b>The Plan for Stafford Borough Pre-Submission Consultation</b></p> <p><b>Representation Form Guidance Notes</b></p>	
--	--

Representations made within the consultation period will be considered alongside The Plan for Stafford Borough Part 2: Submission as part of an examination by an independent planning inspector. The purpose of the examination is to establish whether the plan has been prepared in accordance with **legal requirements**, and whether it is **sound**.

**Representations should therefore focus on legal compliance and soundness.**

If you wish to make a comment seeking to change The Plan for Stafford Borough Part 2 you should make clear in what way you consider it is not legally compliant or sound. You should try to support your comment by providing evidence and supporting information showing why it should be changed. It will be helpful if you also say precisely how you think it should be changed.

For the plan to be **legally compliant** it must:

- be prepared in accordance with:
  - the Council's Local Development Scheme (a timetable for plan preparation);
  - the Council's Statement of Community Involvement (which includes the Council's policy for community engagement on The Plan for Stafford Borough) and
  - relevant Acts and Regulations; in particular the Town and County Planning (Local Planning) (England) Regulations 2012;
- have been subject to sustainability appraisal;
- have regard to:
  - national policies, advice and guidance issued by the Secretary of State; and
  - the Stafford Borough Sustainable Community Strategy and Stafford Borough Community Action Plan;
- be in general conformity with the Regional Spatial Strategy for the West Midlands;
- meet legal requirements under the Duty to Co-operate (introduced via the Localism Act 2011).

**Soundness** is explained in the National Planning Policy Framework. For a plan to be sound it must be:

- **Positively prepared** - the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements;
- **Justified** – the plan should be the most appropriate strategy based on a robust and credible evidence base;
- **Effective** – the plan should be deliverable over its period;
- **Consistent with national policy** – the plan should enable the delivery of sustainable development in accordance with the policies in the National Planning Policy Framework.

Where there are groups who share a common view on how they wish to see The Plan for Stafford Borough Part 2 changed, it would be very helpful for that group to send a single comment rather than for a large number of individuals to send in separate comments which repeat the same points. In such cases the group should indicate how many people it is representing and how the representation has been authorised

## Regulation 20: Appendix 2 Statement of Representation Procedure

### Statement of Representation Procedure

(a) **Title of Document**

The Plan for Stafford Borough Development Plan Document Part 2- Publication

(b) **Subject Matter**

The Plan for Stafford Borough Part 2 sets establishes the settlement boundaries for Stafford, Stone and the Key Service Villages, together with the boundaries for the recognised Industrial Estates. It also includes a policy on protecting social and community facilities, and considers retail frontages and gypsy and traveller allocations.

(c) **Period of Representation**

Monday 30<sup>th</sup> November 2015 until 12 noon on Monday 25<sup>th</sup> January 2016.

(d) **Address for Representations**

Head of Planning & Regeneration Services  
Stafford Borough Council  
Civic Centre  
Riverside  
STAFFORD  
ST16 3AQ

(e) **Notification of Examination and Adoption**

Please indicate in your response if you wish to be notified of either or both of the following:

- (i) that the Plan for Stafford Borough Part 2 DPD has been submitted to the Secretary of State for independent Examination;
- (ii) that the Plan for Stafford Borough Part 2 DPD has been adopted.

Any such notification will be sent to the address on your representation unless you indicate otherwise.

## Regulation 20: Appendix 3: Regulation 19

PLANNING AND COMPULSORY PURCHASE ACT 2004  
The Town and Country Planning (Local Planning) (England)  
Regulations 2012 (Regulation 19)  
*Statement of Fact Available for Inspection*  
*Proposed Submission document of*  
*the Plan for Stafford Borough Part 2 – Publication*

Stafford Borough Council has prepared the Plan for Stafford Borough Part 2 Development Plan Document (DPD) as part of the Local Plan for the whole of the Borough. Part 2 of The Plan for Stafford Borough DPD sets out the approach to development in sustainable settlement hierarchy, it establishes settlement boundaries for Stafford, Stone and the Key Service Villages, together with boundaries for the Recognised Industrial Estates. It also considers retail frontages and addresses the need for gypsy and traveller allocations. When the Plan for Stafford Borough Part 2 DPD is adopted it will be a Local Development Document as part of the Local Plan.

Copies of the Plan for Stafford Borough can be inspected and are available free of charge at Ground Floor Reception, Stafford Borough Council, Civic Centre, Riverside, Stafford, during normal office hours Monday – Thursday 08.30 – 17.00, Friday 08.30 – 16.30. Reference copies have been supplied to Public Libraries within Stafford Borough. The document, representation forms and guidance notes may also be viewed and downloaded via the Council's website at the following web-address: [www.staffordbc.gov.uk/part2publication](http://www.staffordbc.gov.uk/part2publication)

To help in the making of representations, guidance notes and forms are available from the address quoted below. All representations should be sent in electronically or in writing, preferably using the published forms, to the Head of Planning and Regeneration, Stafford Borough Council, Civic Centre, Riverside, Stafford, ST16 3AQ or to [forwardplanning@staffordbc.gov.uk](mailto:forwardplanning@staffordbc.gov.uk)

The consultation starts on 30th November 2015 and ends at **12 noon on 25<sup>th</sup> January 2016.**

**Regulation 20: Appendix 4 Example of formal press notice contained within the Staffordshire Newsletter.**

Staffordshire Newsletter, Thursday, January 17, 2013

**Public Notices**

**PLANNING AND COMPULSORY PURCHASE ACT 2004**  
**The Town and Country Planning (Local Planning) (England) Regulations 2012 (Regulation 19)**  
**Statement of Fact Available for Inspection Proposed Submission document of the Plan for Stafford Borough - Publication**

Stafford Borough Council has prepared the Plan for Stafford Borough Development Plan Document (DPD) as part of the new Local Plan for the whole of the Borough. The Plan for Stafford Borough DPD sets out the vision, spatial objectives, development strategy, strategic development locations and policies to guide future development across the Stafford Borough area. When the Plan for Stafford Borough DPD is adopted it will be a Local Development Document as part of the new Local Plan.

Copies of the Plan for Stafford Borough can be inspected and are available free of charge at Ground Floor Reception, Stafford Borough Council, Civic Centre, Riverside, Stafford, during normal office hours Monday – Thursday 08.30 – 17.00, Friday 08.30 – 16.30. Reference copies have been supplied to Public Libraries within Stafford Borough. The document, representation forms and guidance notes may also be viewed and downloaded via the Council's website at the following web-address:  
[www.staffordbc.gov.uk/publication](http://www.staffordbc.gov.uk/publication)

To help in the making of representations, guidance notes and forms are available from the address quoted below. All representations should be sent in electronically or in writing, preferably using the published forms, to the Head of Planning and Regeneration, Stafford Borough Council, Civic Centre, Riverside, Stafford, ST16 3AQ or to [forwardplanning@staffordbc.gov.uk](mailto:forwardplanning@staffordbc.gov.uk)

Only those representations which are received at the address specified above within the six week period ending at 12 noon on Thursday the 28th February 2013 will be taken into consideration when preparing the Plan for Stafford Borough DPD - Submission document.

**HIGHWAYS AGENCY**

**ROAD TRAFFIC REGULATION ACT 1984 - SECTION 14(1)(A)**  
**THE M6 MOTORWAY (JUNCTION 13) (TEMPORARY RESTRICTION AND PROHIBITION OF TRAFFIC) ORDER 2013**

NOTICE IS HEREBY GIVEN that the Secretary of State for Transport intends to make an Order on the M6 Motorway, in the County of Staffordshire, to allow safety improvement work to be carried out.

The effect of the Order will be to –

- (a) impose a 50 miles per hour speed restriction on –
  - (i) the northbound carriageway of the M6 from a point 160 metres north of the centreline of the River Park underbridge to a point 500 metres north of the centreline of the Wolverhampton to Stafford railway underbridge south of Stafford; or
  - (ii) the slip road leading to the northbound carriageway of the M6 at Junction 13; and at different times
- (b) close the slip road described in (a) (ii) above.

Work will be carried out overnight between 20.00 hours and 05.00 hours and is expected to start on Monday 11 February 2013 and last for approximately seven weeks. The Order will come into force on 4 February 2013.

Vehicles being used for police, fire brigade or ambulance purposes will be exempt from the speed restriction and closure. Vehicles being used for Special Forces purposes will be exempt from the speed restriction and vehicles being used in connection with the works or by a Traffic Officer will be exempt from the closure. A diversion route during the slip road closure via M6 Junction 12 will be well signed.

For further enquiries please contact Matthew Teylor on 0121 687 2550.

Mike Lloyd, A Higher Executive Officer in the Highways Agency
