Dear Mr Yendole,

Neighbourhood Plan

As agreed at a Council Meeting held on 19th May 2015, Stone Town Council is formally applying to Stafford Borough Council to have a Neighbourhood Plan for the whole Town Council area as detailed in the attached map edged in red (already sent with previous letter in July 2015).

The Council considers that the plan should cover the whole of the Town Council area because:

- It ensures consistency of policies throughout the whole of the area
- It acknowledges the town as a single urban settlement
- It will improve clarity for the public if policies apply across the whole of the Town Council area.

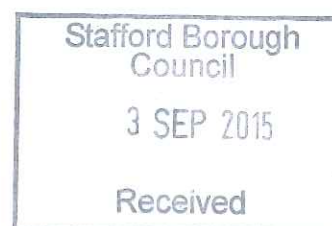

I confirm that the Town Council is the relevant body to undertake neighbourhood planning in this area.

I do hope you consider this request favourably and look forward to working with you on this matter.

Yours sincerely,

pp JAllen
