NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Good Morning

Under planning permission 21/34785/COU Condition 9 restricts the permitted opening hours for the premises. The condition provides that the premises is not to open after 23:00. The reason for this planning condition being imposed in planning terms was to “safeguard the amenities of the area”. This was due to concerns that later opening would be likely to cause noise disturbance from customers visiting the premises to buy takeaway food, as well as noise from customers congregating outside the premises before and after buying their takeaway food. Later opening hours could also cause more traffic noise from customer cars stopping at the premises. For these reasons, SBC Development Services, as Local Planning Authority, ask that this email is considered as a relevant representation for the purposes of the Licensing Act 2003. Development Services continues to have concerns that opening hours later than 23:00 would lead to noise disturbance to the local residential occupiers and would impact adversely on the promotion of the licensing objective relating to the prevention of public nuisance.

Thanks

Vicki

Having reviewed the application for *Pepe's Piri Piri, 176 Stone Road, Stafford*, we have concerns about the extended opening hours for this premises.

Therefore Environmental Health, as a responsible authority, OBJECTS to this license application, on the grounds that the prevention of Public Nuisance licensing objective cannot be met.

This is for the following reasons:

- There are residential properties both sides of the premises at 174 Stone Road, and 3 Walden Ave
- There is are residential flats above the premises
- There is no evidence that sufficient insulation between floors has been installed so that noise from the use of the premises does not cause a nuisance to any residential occupiers in the flats above (planning application reference 21/34875/COU)
- The Environmental Health Team have received a complaint relating to noise from the premises

Given the close proximity of the residential properties, an extension of the hours is likely to give rise to a public nuisance.

Kind Regards
