This document provides details of Stafford Borough Council's waste contract and complies with the requirements of the Local Government Transparency Code:

Required Information	Details
Reference number	PC615
Title of agreement	Waste and Recycling Collection Service and Processing of Dry Recycling
Local authority department responsible	Operational Services
Description of the goods and/or services being provided	The service consists of an alternate-weekly collection of, residual, dry recycling, and garden waste from domestic properties. The service includes the processing of dry recycling and recyclable materials arising from the collections. There are a small number of domestic properties which have weekly collections. Residual and dry recycling collections are made at schools, village halls and churches.
	The ownership of dry recycling, paper and recyclables passes to the contractor who arranges the processing and sale of the material.
	An assisted collection service must also be provided where necessary and a number of ancillary services, including the collection of bulky waste, the collection from bring sites, the delivery and retrieval of waste and recycling containers, may also be required as part of the contract.
Supplier name and details	Veolia ES (UK) Limited, 210 Pentonville Road, London, N1 9JY
Sum to be paid over the length of the contract or the estimated annual spending or budget for the contract	£3.4 Million per annum
